Resteraunts, trains shut down, streets blocked, maybe even a hotel stay ban (unless on "Official Business", of course. EXPECT IT, and plan for it.

Stay in VA, carpool in. If they block all the roads, then nobody is getting in, and pedo Joe will have the lowest inaugural turnout ever.

Lots of food trucks hang out around the mall. Couldn't say how many are actually there to support US, but they know it's a good chance to make money

I'd be skeptical about any food truck that's not explicitly supporting the cause. Pretty easy to fuck with food

Drive in. If they block roads, we leave our cars jammed on the roadways and lock them. E-brakes on. We walk in as an army.

Most of the people you're talking about live in McLean, VA or Great Falls, VA or in NW D.C in the areas around Georgetown & American universities.

I agree. I actually like Soylent and found it did a pretty good job as a meal/snack substitute. Don't know if I would say it does the does job for all three meals a day, but it'll do the trick for one maybe even two. Stopped buying it cause it is pretty expensive imo. Especially when compared to a PB&J

I'm bringing 4 days worth of MRE. Plus a few protein bars. That can last me a week plus rationing. We can tactically acquire whatever else we need.

You guys are really amature. We should have a lot of Trump support food vendors around who take CASH to provide food. Learn from Anitfa, they have a Snack van that provides water and food. If we don't have millions we are fucked. All 80 millon Trump voters are not TD, there are a lot more Trump voters who are just normie Rupblicans. We need those people in the event. Don't fucking make it seem more difficult to come in, make it easier for them to join!
